Before After

While the approximately 6 7/8" X 9 7/8" size of the book would have been ideal, the 3/4" thickness of "Before After" does not allow the book to lay flat unless you crack the spine - something that should never be done. If you are looking for a unique book for your child or grandchild, you will want to consider "Before After". It is a real treat!

After: This photo, taken from the same vantage point as the “before” shot, shows how the team at Plant Architect used an elevated deck to create a much more functional courtyard garden. The use of a deck, rather than a patio, enabled the landscape architects to create one expanse of level flooring from the back of the house to what was the bottom of the slope without any major regrading.
