STARS Kelly Elliott is
becoming a must-read
author for me. She
wrote a really good
romance for two
deserving characters.
Broken Dreams is the
second in this series
and it was an absolute
delight to finish a well
written, emotionally
driven story.

The first book, Broken, was a fairly good read. I will admit I probably wouldn't have read another Kelly Elliott book after Broken (I wasn't all that taken with the writing) but I completely fell in love with the quirky best friend in Broken, Courtney. I was beyond excited to get to Courtney's story.
