But as we move along the spectrum of global citizenship, it is no longer enough to simply identify and even "care" about global issues, one must develop empathy as well. The belief that global citizenship goes beyond the realm of knowledge into one of empathy is a commonality in the discourse taking place.

Global Education and Global Citizenship | Globalization101

A citizen is a member of a political community who enjoys the rights and assumes the duties of membership. This broad definition is discernible, with minor variations, in the works of contemporary authors as well as in the entry "citoyen" in Diderot's and d'Alembert's Encyclopédie [1753]. [] Notwithstanding this common starting-point and certain shared references, [] the differences ...

Citizenship (Stanford Encyclopedia of Philosophy)

It is an inquiry into the ethics of global citizenship, focusing on debates over whether "human rights" are a product of Western culture or have universal validity. The students research the politics and discourse of human rights in the nation where they studied, and we read in common a multiplicity of perspectives on human rights.
