Head First Object-Oriented Analysis & Design (short for Head First OOA&D) will tell you how to analyze, design and write a truly object-oriented software, which is easy to reuse, simple to maintain and extensible anytime. That's one software will no longer break your heart and allows you to add new features without breaking the old mechanisms.

Head First Object-Oriented Analysis & Design HD PDF ...
First of all, I love those books, so great choice :) "Head First Design Patterns" speaks only about design patterns. "Head First Object Oriented Analysis and Design" contains a lot more like requirements engineering, testing etc. So if you want to learn OOP, then I would suggest to choose the design patterns book first and then the other one.

Head First Design Patterns vs Head First Object Oriented ...
