7. Although You Are a Realist, You Are Not Brutal. You approach every situation and you speak to everyone with wisdom. Being a realist doesn't mean you are brutal in how you interact with others. You understand that people have feelings, so you are careful to give them your opinion in a gentle way without being hurtful.

What is a Realist? | Realistic Signs & Traits | CogniFit

Realism has dominated the academic study of international relations since the end of World War II. Realists claim to offer both the most accurate explanation of state behaviour and a set of policy prescriptions (notably the balance of power between states) for ameliorating the inherent destabilizing elements of international affairs. Realism (including neorealism) focuses on abiding patterns of ...
