The Great French Wars (1793-1815) can truly be called the first global war; and also the first conflict driven by industrial might. Mostly, it was a battle between commanders that history will never forget; as Napoleon's revolutionary guard ravaged Europe, men like the Duke of Wellington, Horatio Nelson, and their allies, stopped Napoleon's complete domination of the continent.

Notes. a. ^ Revolutionary War: All figures from the Revolutionary War are rounded estimates. Commonly cited casualty figures provided by the Department of Defense are 4,435 killed and 6,188 wounded, although the original government report that generated these numbers warned that the totals were incomplete and far too low. In 1974, historian Howard Peckham and a team of researchers came up with ...
